### **RULES (7/13/2021)**

1. All regular games and specials must be marked with pencil, crayon or dauber. Do not have more game packets or specials in your possession than you have paid for as indicated by the number on your admission ticket. A violation of this rule means we will not award you any prizes offered for that game. All such forfeited prizes will be added to the next game. Decisions of the bingo committee are final.
2. On regular games, we will honor only straight bingo, outside four corners and the big diamond.
3. If you have a bingo, please yell loud enough so the caller can hear you over the noise in the hall. A winning bingo **must** include the last number called.
4. Seats may be reserved for latecomers until 6:45 p.m. No one under the age of 16 is permitted in the hall.
5. Extra coverall specials for the \$1200 coverall game will be sold after intermission.
6. Sheets for the winner-take-all double bingo special game will also be sold after intermission.
7. A 10-minute intermission will be after regular game #14.
8. The all-nighter special is played on a special card purchased for \$1 each **prior** to the start of the first regular game of the evening. The game is played until a double bingo that consists of any two straight line bingos (vertical, horizontal or diagonal) is hit. The big diamond, postage stamp, small diamond, inside or outside four corners cannot be used in this game. This is a winner-take-all game. Once the first game reaches \$1000, a second game will be started, when that game reaches \$1000 on any give Tuesday, it will be played until there is a winner. There will be a \$100 consolation prize game played if the \$1000 prize has not been awarded. The cards are not transferrable.
9. If you have any questions about any of the rules, please feel free to speak to any CSVFD bingo committee member.
10. Side games and raffles may only be purchased by bingo players with entry ticket stubs.
